PUBLICATION OF THE SCHOOL NUTRITION ASSOCIATION OF OHIO

THIS IS THE

**WINTER
2021**

President's Message

Jennifer Hirsch, SNS, President, SNA of Ohio

Happy New Year and greetings to all! As I write my president's message to you, the holidays have drawn to a close and half of our school year is already over. Looking back, I believe school nutrition professionals and our industry partners both can agree, the word "challenge" would be very fitting to sum up 2020. The word 'challenge' is at the forefront of the rapid changes that we all have become so accustomed to during these unprecedented times. We now live in a time characterized by uncertainty on what lies ahead of us in 2021. As we press on, communication, in all its forms, is at the core of our School Nutrition Association. Our association has worked hard to make sure all our members have received the most current, up-to-date communications and information. A primary goal of SNA is to continue providing networking and educational opportunities. We hope you found both Jon Colby and Joanne Robinett engaging and entertaining as they elaborated on the essential communication issues of our time. We are continuing to work on more educational opportunities in the near future. However, I do want to remind everyone of our Expo & Education Event coming in April, followed by our Annual Conference in June! We are working very hard to make sure both of these events are a success!

In closing, I would like to express my heartfelt appreciation to those school nutrition professionals as well as our industry partners. You have adapted to these very challenging times and continued to promote positivity throughout our profession!! Together, we will continue rising to these challenges!! Keep smiling, keep striving and keep feeding America's future!

"...The word 'challenge' is at the forefront of the rapid changes that we all have become so accustomed to during these unprecedented times."

Industry/IAC Update

As we embrace the New Year, 2021 with hope and optimism, we cannot help but look back and reflect on the past year. Although no one could have predicted the impact of the Coronavirus pandemic, I must say that we have all worked diligently to figure out new ways of doing business and helping each other find solutions on how to best run operations in a whole new way of feeding the children.

Manufacturers have had to shift gears to invent new products that can be safely handled in the grab & go concepts. They have had to retool production schedules to make products in demand. The need for aseptic and individually wrapped products soared. The demand for additional items for packaging meals has put a strain on the supply chain. Distribution has struggled to maintain and manage inventory appropriate for these challenging times. Shortages on gloves, masks, sanitizers, and disinfecting products left everyone scrambling in the spring. Brokers and vendors learned how to do their jobs in the new virtual world. Through it all, we have worked together to find solutions. I must say that both school foodservice and industry people are a very resilient bunch.

As Industry plans for 2021, we are pushing forward with a live Food Expo on April 16th in Columbus, OH. It will look a little different than in the

past, but I think we are all hungry to get out and see our fellow directors, managers, and industry partners in a live setting. We assure you all that SAFETY IS #1. Measures will be strictly enforced to ensure a safe event. With the vaccines being rolled out we are extremely optimistic that we can pull off this live event successfully.

On behalf of all our Industry members, we wish to thank all of you who have supported our apparel fundraiser this past summer and fall. Aprons and T-Shirts with our featured logo of “Feeding Children is a Work of Heart” are still available online. We have added face masks as a new offering because it looks like they are here to stay for a while. To order online visit: School Nutrition Association Archives - Ritchie’s Sporting Goods (<https://ritchiesports.com/shop/schoolnutritionassociation/>). Proceeds from the IAC fundraiser supports scholarships for SNA members.

Although the early months ahead in 2021 still pose many challenges and risks, there is light at the end of the tunnel. On behalf of all our industry members we wish for everyone’s good health and are grateful to the resilience everyone has shown through these challenging times.

We are stronger together!

Sincerely,

Pam Reitz

Leadership Journey of *Janelle Brunswick*

Current Position on the Board: Vice President
Title: Assistant Child Nutrition Supervisor at Mason City Schools

How many years have you worked in child nutrition?
11 years

Favorite School Lunch: Bosco Cheese Filled Breadsticks

Favorite Music: Country

Favorite Vacation: Traveling Abroad

Favorite Hobby: Outdoor activities, especially boating

Favorite Quote: “Bloom where you are planted.”

What’s your favorite thing about being involved in SNA?

My favorite thing is definitely the people and relationships I have developed with other school nutrition professionals. Every year I look forward to the SNA of Ohio conference. It’s an opportunity to meet new people from across the state and reconnect with friends I’ve met from previous SNA conferences. I am forever grateful for the friendships I have and the ones I will meet in my future through this amazing organization.

What are you most passionate about professionally?

I am most passionate about working together as a team and serving our customers healthy delicious food. Our staff have proven themselves once again especially this past year as we have been adjusting and adapting as we navigate through the COVID pandemic. The hard work of our staff leads to one of my favorite joys of walking through a cafeteria and observing students eating school lunch with smiles on their faces.

I remember starting my career in child nutrition a couple months after I graduated from The Ohio State University. I was working for Columbus City Schools through a management company called Sodexo as the Director of Nutrition. To be honest, I didn’t know what to expect as a school nutrition professional as this career was not discussed in great detail within my dietetic rotations during college. To get perspective, this was before the Healthy Hunger Free Kids Act of 2010. The one strength I knew I had going into school nutrition was I loved working with children.

Healthy Communities AmeriCorps Member in the Columbus community. Here, I taught students nutrition education and the importance of moving their bodies. I always enjoyed the students trying new fruits and vegetables for the first time. I knew establishing healthy eating habits at a young age would help set them up for living a healthy lifestyle.

I was aware of SNA while at Columbus City Schools, but I never engaged until a few years later when I started working at Mason City Schools. I actually saw my current job at Mason City Schools through a job posting from an SNA email. After joining SNA, I have had several “influencers” in the profession that have helped me grow. One such person is my current supervisor, Tamara Earl. She has been an inspiration and a motivator for becoming more involved in SNA. Tamara taught me the importance of being an advocate for our programs and showed me the many resources SNA provides.

I have had several positions on the SNA of Ohio Board. I have been Southwest Regional Director, Membership Chair, and now Vice President. I have seen myself grow overall as a professional and individual working within SNA. One of the areas that I have developed is public speaking. I have had to stretch my comfort zone and learn how to communicate effectively within each and every role I have undertaken in SNA. I am currently the President for our local chapter SNAP. I truly value the relationships I have established along with having a group of people to brainstorm with and support each other. We have had several “bring your best practices” discussions since March, as we have had to navigate through the Covid pandemic. I see the importance of understanding, “We are all in this together”. I am proud to be part of SNA. Being involved in SNA has given me the opportunity to make lifelong friendships that have not only impacted my professional life, but my life as a whole. I look forward to the leadership opportunities in my future.

LAC Updates

The 2021 Legislative Action Conference will be held March 8-10, 2021 in a virtual format. Registration is now open for this exciting Conference! For more details about the conference, schedule and registration, go to: <https://schoolnutrition.org/meetings/lac/2021/>.

SNA National is currently working on compiling our annual Position Paper that we will present to our Congress (wo)men and Senators when we “go to Capitol Hill” on Wednesday, March 10th. We speak with our Congressional Representatives about our concerns and successes so that we can continue to have the support and funding that our operations need. It is so important for as many Child Nutrition Professionals from Ohio as possible to lobby. Our Representatives need to hear from us directly, so please plan to participate in this very important process.

Sue Whitaker Membership Award Program

Due to popular demand, we are happy to share a favorite recipe among those who knew our friend Sue Whitaker. Sue is missed every day by her SNA of Ohio family. We hope you might enjoy making this amazing soft caramels recipe in her honor!

Sue's Caramels

Sue

2 sticks Butter (Land o Lakes, Salted)
2 Cup Sugar, granulated
1 ¼ Cup Light Karo Syrup
Optional ½ cup chopped Pecans

Put in sauce pan and stir until combined and comes to a boil.

At boil stop stirring.

Boil 4 minutes (DO NOT TOUCH)

Add 1 pint Heavy Whipping Cream and stir in. Keep stirring until thermometer reaches softball (238 degrees)

Take off heat, then add 1 teaspoon Vanilla, stir in. (At this point you would add the nuts if desired.)

Line a glass baking dish 9x13 with Reynolds Release Foil and butter it good.

Pour into pan and cool. Do not scrape sides of pan
When cool flip over and peel off foil. Cut into pieces and wrap in wax paper.

Cut pieces of wax paper before you make carmels.

In July 2019, the SNA of Ohio lost - far too soon - longtime friend, supporter, and overall AMAZING person, Sue Whitaker. Sue was the Food Service Director of Huron City Schools. Sue gave 35 years of her heart and soul to a job that she found so rewarding.

Sue also gave her heart and soul to SNA of Ohio, SNA National, and her local SNA Chapter 22. Sue was involved with SNA for over 15 years, and she believed that with the right tools, anyone could make a difference in their district. She strongly believed that being an SNA member and attending educational events would help to provide these tools through professional development and networking.

The goal of the Sue Whitaker Membership Award Program is to honor Sue's memory by helping to provide the tools she found so important in her school food service career. These tools are in the form of an SNA membership (a new membership for a non-member or a membership renewal for a current member) and financial assistance of up to \$500 for the 2021 SNA of Ohio Annual Conference to be held June 15-17, 2021 in Columbus. All school food service employees are eligible to apply (members or non-members, and any category of school food service employee).

Barbara Duncan Professional Development Scholarship

In 2012, the SNA of Ohio lost a longtime supporter of the Association, and more importantly, a friend. Barbara Duncan, School Nutrition Director at Sycamore Community Schools passed away too soon, however she leaves behind a legacy that will live on for years.

While with us, Barb played an active role in the professional development and training programs of the Association, specifically for the Annual Conference. Therefore, it seems only appropriate to create this memorial scholarship in her honor. These funds of up to \$500 can be used for professional development purposes, *including attendance to the SNA of Ohio Annual Conference in June.*

Submit this application form and essay via our online form at the link below by February 15, 2021. The recipient will be notified by April 1, 2021.

2021 Industry Service Award Nomination Form

The School Nutrition Association of Ohio is seeking applicants for the 2021 Industry Service Award. This award recognizes an individual among the Child Nutrition Industry community who has demonstrated excellence in their profession during the past 12 months. The award is open to individuals at any levels of an organization who has contributed to the development and deployment of innovative products or systems which are designed to improve Child Nutrition operations, menus or enhance services. Nominations can be completed by a third-party if they feel there is a candidate that meets the qualifications. *Entries are limited to SNA of Ohio Industry Members only.

The award will be judged against five key criteria:

SNA Involvement/Promotion: has consistently met or exceeded challenging objectives to ensure the mission of SNA Ohio is recognized, and demonstrated a quality approach through personal values and working practices.

Commitment to Child Nutrition: has showcased knowledge regarding the Child Nutrition program regulations and guidelines, assisted districts with adherence with such guidelines and provided tools and resources to assist Child Nutrition staff with compliance.

Innovation: has used innovative approaches, working practices or technologies to enhance their organization and SNA of Ohio.

Role model: has provided an example to peers or colleagues of the importance Child Nutrition plays in the daily lives of students, staff and the community.

Measurable success: has delivered quantifiable benefits to their organization through involvement in the past year and can demonstrate personal development to enhance their ability to succeed in future.

Should you feel that you or another are qualified candidates for this award, please complete the application by February 15, 2021 at https://snao.formstack.com/forms/sna_of_ohio_industry_award2021. The 2021 recipient will be notified by April 1, 2021 and will be recognized at the SNA of Ohio Annual Conference June 15-17 in Columbus, Ohio.

SNA of Ohio 2021 SNS Exam Scholarship

SNA of Ohio wants to continue to encourage its members to strive for the SNS credential and will offer two scholarships in 2021 to cover the SNS exam fee!

Definition of a School Nutrition Specialist (SNS)

- An SNS is a person who has successfully passed the School Nutrition Specialist exam, demonstrated the knowledge and competencies necessary to manage school nutrition programs and is dedicated to continuing their professional development.
- The SNS exam is based on four (4) key areas, aligned with USDA professional standards that encompass nine (9) knowledge/content areas and competencies.

Benefits of the SNS Credential

- Provides formal recognition of professional achievement at a national level
- Provides professional recognition from subordinates, peers and superiors
- Increases ability to manage a complex food service operation
- Demonstrates commitment to the school nutrition profession
- Enhances career opportunities
- Elevates self-esteem and pride in one's work
- Improves credibility with school district administrators, local board of education, governing boards and the general public
- Offers self-fulfillment

CRITERIA FOR SNA OF OHIO SNS SCHOLARSHIP ELIGIBILITY:

- Applicant must be a current SNA manager or director level member in Ohio, who has been a SNA member for at least one year, as of application date.
- Applicant must be employed in school foodservice in Ohio, in a supervisory role.
- Reimbursement of Exam fee will be paid upon submission of required reimbursement documents (\$225.00).
- Applications will be accepted by SNA of Ohio through February 15, 2021. Two recipients will be selected and will be notified by April 1, 2021.
- Each scholarship winner is responsible for applying and sitting for the SNS exam in 2021.
- Scholarships are non-transferable.

SCHOLARSHIP AWARD CONDITIONS:

- Member awarded agrees to work in Ohio school food service for at least one year following scholarship award date or repay the SNA of Ohio the amount granted.
- Member awarded agrees to repay amount granted to SNA of Ohio if SNS exam is not taken in 2021.
